

# TP776-B TEMPEST colour A4 Multifunction printer

SDIP-27 Level B

Based on HP M776dn

| Description and typical configuration |                                                                                                                                                                                                             |
|---------------------------------------|-------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------|
| Type                                  | Colour A3 Multifunction printer                                                                                                                                                                             |
| Duplex printing                       | Duplex printing Automatic [Standard]                                                                                                                                                                        |
| Processor                             | 1.2GHz processor                                                                                                                                                                                            |
| Memory                                | 3.0GB                                                                                                                                                                                                       |
| Duty Cycle                            | Up to 200,000 pages (A4)                                                                                                                                                                                    |
| Print Speed                           | Up to 46ppm black and colour A4                                                                                                                                                                             |
| Print Resolution                      | 1200 x 1200dpi (best) colour and black                                                                                                                                                                      |
| Copy/Scan Speed                       | up to 46cpm colour and black; up to 180ppm duplex                                                                                                                                                           |
| Copy/Scan Resolution                  | up to 600 x 600dpi                                                                                                                                                                                          |
| Interface ports                       | High speed USB 2.0 port and 1.8m shielded USB cable (Type A)<br><b>IMPORTANT:</b> USB port supports local printer only for full functionality, you must use 100Mbps Fibre optic LAN interface SC connectors |
| Network                               | Integrated 100Mbps Fibre Ethernet LAN transceiver SC or ST connectors                                                                                                                                       |
| Paper trays/rolls                     | 2x 550 sheet paper tray, 1x 100 sheet multi-purpose tray                                                                                                                                                    |
| ADF                                   | 200-sheet ADF with single-pass                                                                                                                                                                              |
| Power                                 | TEMPEST filtered AC input 100 - 230VAC, 50/60Hz<br>C/w 1.8m shielded mains cable with country specific plug                                                                                                 |
| Dimensions (hxwx) Weight              | 71 x 58 x 66cm Weight: 71kg                                                                                                                                                                                 |
| Options and upgrades                  |                                                                                                                                                                                                             |
| Network                               | 1Gbps Fibre optic LAN interface LC connectors                                                                                                                                                               |
| Duplex Printing                       | N/A                                                                                                                                                                                                         |
| Push-Pull Print                       | Option for NFC or Smart card authentication for print                                                                                                                                                       |
| Paper Trays                           | 500 paper tray (Tray 3)                                                                                                                                                                                     |
| Warranty                              | Extended Warranty options [Standard 12-month Return to Factory]                                                                                                                                             |
